THE PM & EHR SOLUTION

Drummond Group, Inc.

Re: Price Transparency Attestation

Organization: Criterions, LLC
Product: Criterions EHR 3.0
Product Type: Complete EHR - Ambulatory
Date: 1/21/2016

The following costs are associated with the implementation of complete Criterions EHR 3.0

• A one-time implementation fee for modules pertaining to meaningful use stage 2
• A one-time fee to establish interface for each clinical laboratory.* pricing can vary for each labs and is often borne by the laboratory.
• A one-time fee to establish interfaces for reporting to immunization registries, cancer registries, and public health agencies.
• Ongoing monthly fee associated with the maintenance/technical support of meaningful use stage 2 technologies.
• An ongoing annual fee for maintenance of ICD-9 and CPT/HCPCS codes and translation to HL7, ICD-10, and SNOMED standards.
• An ongoing monthly fee associated with Electronic prescribing
We agree to notify Drummond Group of any and all future changes to our price transparency language for this certified product-version.

We understand and agree that the ONC HIT Certification Program Final Rule statement gives Drummond Group, as an ONC-ACB, the sole responsibility for ensuring compliance and determining appropriate consequences if EHR technology developers fail to disclose accurate price transparency information.

We understand and agree to provide Drummond Group copies of or give access to any and all websites, marketing materials, communication statements, and other assertions made by our organization regarding the ONC certification status of the product in a reasonable time to ensure the price transparency information is being accurately disclosed.
